Welcome Home -

This solid older style 3-bedroom 1-bathroom home is located on a great sized block of over 2000m, and features a good sized lounge room with wood combustion fire and reverse cycle split system air conditioner. The large, open plan, combined kitchen and dining area also features a reverse cycle split system air conditioner for convenience. Both bedrooms have built in wardrobes and the main also has a split system air conditioner. The bathroom is equipped with a large shower stall with shower curtain rail surround with vanity unit and storage cupboard. It also includes a separate toilet and internal laundry. It has a generous back undercover entertaining area which looks out on the spacious yard. The backyard is absolutely massive – and contains a greenhouse for the green thumbed enthusiast – also includes a large rain water tank for watering, multiple storage sheds, wood storage and cages. The yard is fully fenced, secure and has front and rear lane access to the block with plenty of potential for future additions.
